who were working in the K S T high School were not benefitted by it and they lost their chance for higher ~~first~~ promotion at that time. It is learnt that they were promoted to the higher grade viz Rs. 40-4-60 to Rs 60-4-80 much later and that they, consequently lost their original seniority apart from the benefit of a higher pay from a prior date.

4) In case, the orders as communicated on 19-1-44 had been communicated to him before promotions to the other teachers of the high schools were given effect to the D P I states, Messrs. R Sampangi and H S Venkatachar would have had their chances of promotion on 21-7-43 according to their seniority with reference to the dates of their first appointment.

5) In the above circumstances, the D P I requests that their rank in grade of Rs 60-4-80 may be fixed with reference to their original rank in the lower grade, as it would have been if the K S T high school also had been brought under the category of the high schools & ranked seniority with other schools. The proposal is submitted for orders in consultation with the Concerned Branch.

SIR

SUBJECT - Alteration in the order of seniority of certain teachers of Municipal High Schools on account of special circumstances

Adverting to Government Order No L 10820-39/Ml 130-41-6 dated 2-5-1943 fixing, inter-alia, the basis for preparing the gradation lists of teachers of Municipal High Schools in the several grades and to letter No L 7373 Ml 101-42-40 dated 19-1-1944 from the Secretary to Government Law Department, stating that the K G F High School might be included in the category of Municipal High Schools for the purpose of applying the concessions to the teachers of that school as laid down in the Government Order referred to above and directing that the seniority lists of the teachers of Municipal High Schools might be prepared including the K G F High School, I have the honour to state that by the time the latter order were communicated to me, promotions of certain teachers had been ordered in the then existing vacancies in the several Municipal High Schools with a view to avoiding dislocation of work in the respective schools and thus two of the teachers of the K G F High School who should have had, in the ordinary course, their chances of promotion from the grade Rs 40-4-60 to Rs 60-4-80, were actually promoted to the latter grade much later They lost therefore their original seniority apart from the

P T O

the benefit of a higher pay from a prior date The particulars as to the names, qualification, service, etc , of these two teachers are as follows -

1. Mr R Sampangy, B A.,B T , date of first appointment 22-8-1935, pay Rs 60/- in grade Rs 40-4-60 on 25-5-1944 when he was promoted to the grade Rs 60-4-80

2 Mr. M S Venkatachar, B Sc ,(Hons) ,B T , date of first appointment 14-3-1938, pay Rs 60/- in grade Rs 40-4-60 on the same date as above when he was also promoted to the higher grade.

2) The former was in the Municipal High School, Bowringpet just before the Government Order of 7-5-1943 referred to above was issued and he would not have been affected adversely if he had been continued in the same school and not transferred to the K G F High School, and both the teachers would have had their chances of promotion on 21-7-1943 according to their seniority with reference to the dates of their first appointment In view of the circumstances for which they were not responsible, I request that their rank in grade Rs 60-4-80 may be permitted to be fixed with reference to their original rank in the lower grade, as it would have been if the K G F High School also had been brought under the Category of Municipal High Schools simultaneously with other schools They need not be allowed however, the benefit of the arrears of pay in the grade Rs 60-4-80, as it is not possible now to reverse the orders of promotions previously passed in respect of others The two teachers will thus be eligible for further promotion as Head Masters in grade Rs 100-5-150 earlier than those who were really juniors to them but had been promoted earlier to the grade Rs 60-4-80 By so doing both the teachers under reference will gain four places each and their ranks after alteration will be 9 and 10 instead of 13 and 14 respectively at present

3) There is one other case in ~~xxxxx~~ which a break in service is to be condoned and/original seniority in grade Rs 40-4-60 is to be

be restored It is the case of Mr K R Seshagiri Rao, B A , Assistar Master, Municipal High School, Chintamani, who was first appointed in the school in grade Rs 40-4-60 on 27-5-1942 He was promoted by this office to the grade Rs 60-4-80 on 15-6-1944 But before the order of promotion reached the school, the teacher had resigned his appointment on 5-5-1944 and left the school accepting an appointment in the Comptroller's Office It is reported that he came back and joined his original post in the school on 25-11-1944 The Deputy Commissioner, Kolar, who is also the President of the Committee of Management of the school recommended in his letter dated 23-4-1945 tha as the teacher's work was reported to be very good, he might be absorbed in grade Rs 60-4-80 in the school and allowed to draw Rs 60/- in that grade maintaining his original seniority A copy of the Deputy Commissioner's letter together with a copy of its enclosures are enclosed herewith The Deputy Commissioner's recommendation is, in other words, to condone the break of 6 months and 20 days in the service of that teacher It is out of question to restore the teacher to the grade Rs 60-4-80, as the vacancy was utilised otherwise soon after the fact of his resignation was reported to this office and as he could not retain his original seniority after he left servic in that school But in view of the present difficulty of securing competent graduate teachers, I request that his rank may be permitted to be fixed in the seniority list of the teachers in grade Rs 40-4-60 with reference to his original date of appointment, viz , 27-5-1942, condoning the break of service as a special case, so that he may have an earlier chance of promotion to the grade Rs 60-4-80 which he would have got with effect from 15-6-1944 had he not resigned his original appointment in the school

I have the honour to be,

S i r,

Your most obedient servant,

DIRECTOR.
